# COMPACT DESIGN PACKED WITH INNOVATION

## bizhub 5021i

The bizhub 5021i impresses with high productivity and versatility. The amazing print speed combined with standard duplex printing make this a perfect solution for daily printing demands.

## bizhub 4221i

With print, copy and colour scanning capabilities as well as the standard integrated duplex unit and automatic document feeder the bizhub 4221i is the ideal A4 system for small to medium enterprise workplace use.

**SIMPLE,  
FUNCTIONAL &  
DURABLE**

**bizhub 500i**

The bizhub 500i is the perfect working tool, to have your documents ready at any time and place. With its compact design, small footprint as well as high productivity and print speed, the bizhub 500i can impress on every desk.

**bizhub 420i**

bizhub 420i is the newest generation of printer that provides simple operability, silent and reliable work with high-quality performance. With its solid design and small footprint, the bizhub 420i fits on every desk.

# USER BENEFITS

A machine that knows you. Intuitive design and simple operation.

## Easy to Use, Intuitive Control Panel

5021i 4221i 5001i 4201i

The large colour LCD touch panel is easy to operate even for first-time users. An intuitive interface and smartphone-like operability helps you get to the functions you need quickly, with no fuss.

bizhub 5021i 7-inch touch panel

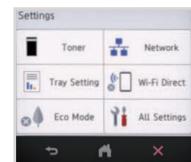

bizhub 4221i 3.5-inch touch panel

## Keep It Simple

5021i 4221i 5001i 4201i

The more compact 5001i and 4201i models feature screens that clearly display settings information and enhance usability with intuitive controls. The 5001i is equipped with a colour touchscreen for easy, interactive operation, while the 4201i comes with a straightforward screen ideal for basic display needs.

bizhub 5001i 3.5-inch touch panel

## Easy Access

5021i 4221i 5001i 4201i

Front access to the paper tray and toner cartridge allows your bizhub to be placed anywhere, even if it's a crowded location.

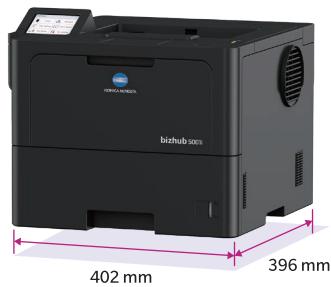

## A Small Footprint

5021i 4221i 5001i 4201i

Whether you are adding to your existing fleet of devices or looking for a single workhorse, having a machine small enough to place on a desktop or any convenient surface is a huge benefit.

bizhub 5021i

bizhub 5001i

## Wireless Connectivity

5021i 4221i 5001i 4201i

Fed up with cables and wires getting in the way and restricting where you can place your printer in the office? All models are equipped to operate wirelessly. Place your machine wherever is convenient, and print from anywhere inside your office via your Wi-Fi network.

## Keep Your Documents Secure

with ID Print

5021i 4221i 5001i 4201i

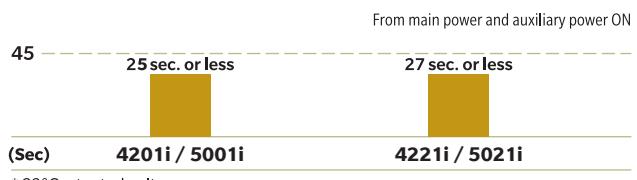

The 5021i and 5001i models are equipped with an ID card reader (NFC) on the operation panel, enabling ID Print. Documents will only print once a user has identified themselves at the machine, helping to ensure documents don't end up in the wrong hands.

## Get Started Faster

5021i 4221i 5001i 4201i

Get to work in 27 seconds or less. All models have an outstanding warm-up time, helping you to get on with what matters.

\* 23°C, at rated voltage

# COPY & PRINT

A range of useful functions available at your fingertips.

## Reliable High-speed Printing

5021i 4221i 5001i 4201i

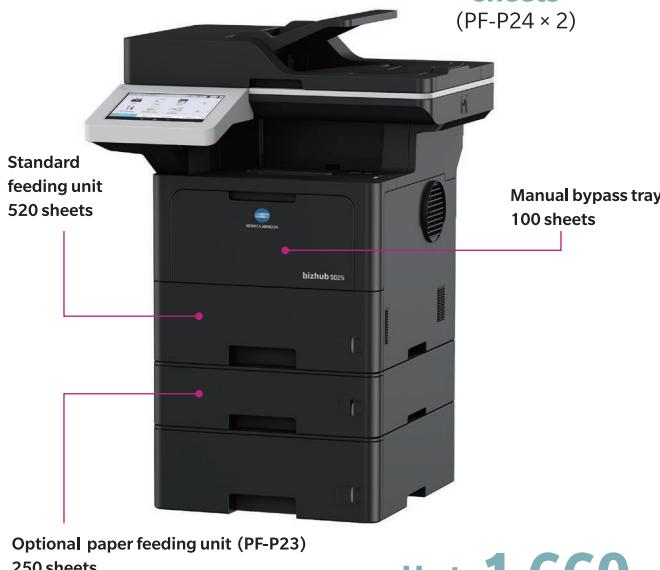

Print up to 50 pages per minute with the 5021i and 5001i models and 42 pages per minute with the 4221i and 4201i models. Outstanding durability and low maintenance needs are combined with great quality and high speed, so you can keep printing all day long.

## Add Paper Storage Capacity

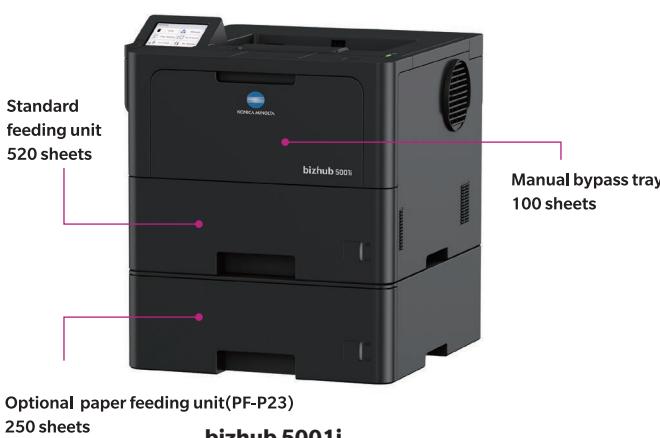

5021i 4221i 5001i 4201i

Add to the standard paper capacity with additional feeder units to build the machine that best suits your working environment. Boost your bizhub with the PF-P24 and PF-P23 optional units. The 4221i model can accommodate up to 1,390 sheets maximum.

Up to 1,660 sheets  
(PF-P24 x 2)

Up to 1,660 sheets  
(PF-P24 x 2)

## Copy with Clarity

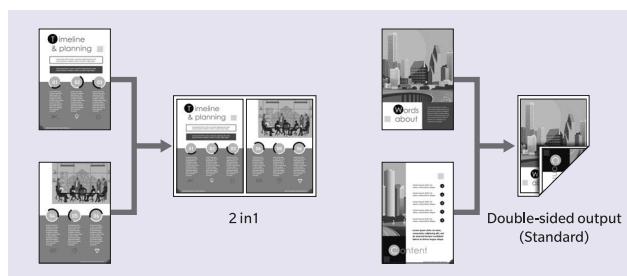

5021i 4221i 5001i 4201i

Scan up to 1,200 dpi using the Document Glass to achieve detailed replication when copying and scanning.

## Choose the Ideal Layout

5021i 4221i 5001i 4201i

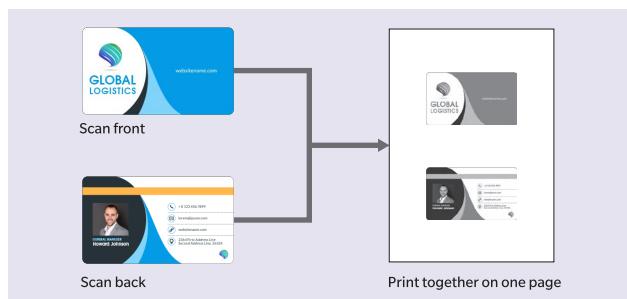

A variety of layout options and double-sided printing help optimise your printed materials and save paper. Combine multiple pages or images onto one sheet when copying and printing. Consolidate up to 4 pages into one when copying with bizhub 5021i and bizhub 4221i, or up to 16 pages into one when printing.

## ID Copy

5021i 4221i 5001i 4201i

Use the ID Copy function on the 5021i and 4221i models to scan ID cards or other small or irregularly shaped documents via the Document Glass and combine both sides cleanly onto a single sheet.

## Print from USB

5021i 4221i 5001i 4201i

Data stored on a USB memory device can be printed directly from your bizhub 5021i or 4221i using the USB port on the front panel. Print from a variety of formats including DOCX, PPTX, XLSX (all part of the Office Open XML format), as well as PDF, JPEG, PNG and TIFF.

# SCAN & FAX

High-quality and high-speed capability. Treat your documents right.

## Efficient Double-Sided Scanning for Every Workflow

5021i 4221i 5001i 4201i

The bizhub 5021i and 4221i offer fast, double-sided scanning for both colour and black-and-white documents. With a high-capacity feeder that handles up to 80 sheets at once, the bizhub 5021i is especially suited for high-volume scanning needs. For bizhub 4221i, the feeder capacity is up to 50 sheets.

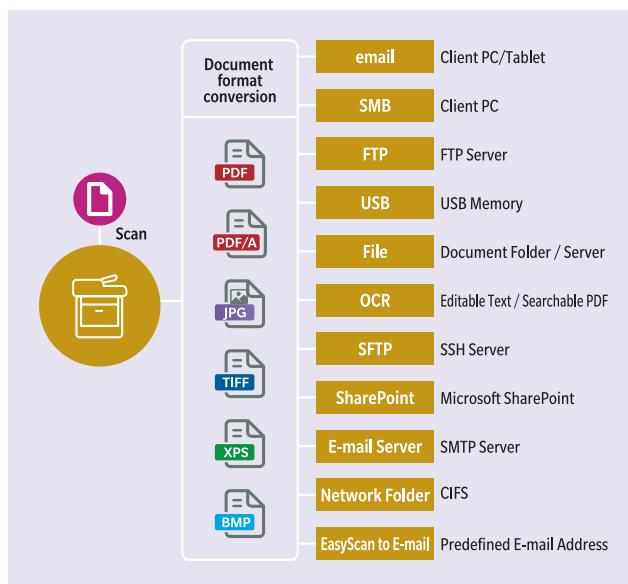

Model	Colour (Simplex)	B/W (Simplex)	Colour (Duplex)	B/W (Duplex)
bizhub 5021i	Up to 30 ipm	Up to 50 ipm	Up to 60 ipm	Up to 100 ipm
bizhub 4221i	Up to 20 ipm	Up to 28 ipm	Up to 40 ipm	Up to 56 ipm

## Paperless Sharing

5021i 4221i 5001i 4201i

Scan documents to a range of formats and share them in the way that's best for you.

## Scan to Editable and

## Searchable Files

5021i 4221i 5001i 4201i

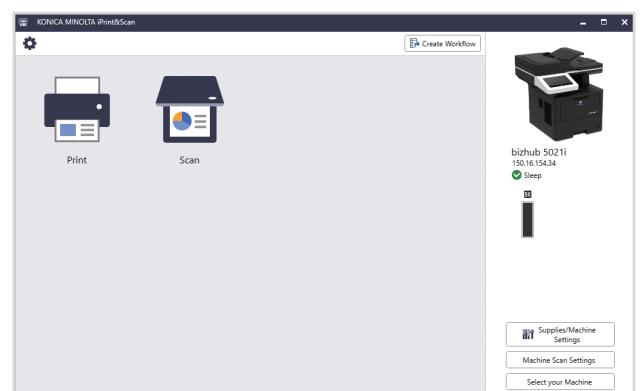

iPrint&Scan enables users to scan documents directly from their bizhub device to a PC or mobile device. Files can be saved, shared, or processed with OCR software to create editable text or searchable PDFs. TWAIN and WIA support ensure compatibility with a wide range of applications.

## Smooth Document Handling with iPrint&Scan

5021i 4221i 5001i 4201i

Ideal for everyday office tasks, iPrint&Scan lets users easily scan and print from their bizhub device using a PC or mobile device. Instead of navigating the control panel, users can access essential functions such as scanning and saving documents directly through the software. This makes workflows faster and more intuitive.

## High Security Super G3 Fax

5021i 4221i 5001i 4201i

The 5021i and 4221i models are equipped with high-speed Super G3 faxing, ensuring you are well equipped for any situation. If your bizhub receives a new fax when out of paper, the fax is saved securely until paper is available. What's more, with Secure Transmission, you can confirm your faxes are transmitted without error with the use of VoIP. All-round performance in a compact machine.

# MOBILE & CLOUD

Access your bizhub via your mobile device for a seamless work life.

## Konica Minolta Mobile Print

5021i 4221i 5001i 4201i

Print and scan with your smartphone or tablet. The Konica Minolta Mobile Print app is fast, secure and convenient. Use your bizhub directly from Android and Apple devices via your office Wi-Fi or by tapping your device on the NFC reader.\*

\*Only available for Android devices equipped with an NFC antenna. NFC reader is equipped on bizhub 5021i and 5001i models only.

For iPhone and iPad, download Konica Minolta Mobile Print from the App Store.

## Multiple Mobile Print Services

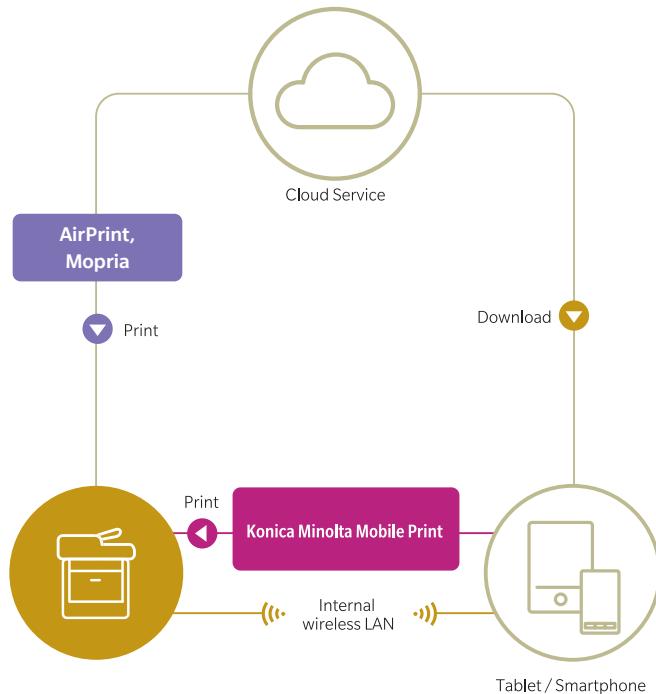

5021i 4221i 5001i 4201i

Mopria Print Service

You can also connect with a variety of other mobile print services including Mopria Print Service for Android devices without a print driver, or prints wirelessly from Apple mobile devices via AirPrint.

# SECURITY

Keep your office environment secure and keep your documents private.

## Secure Print

5021i 4221i 5001i 4201i

User will set a password prior to sending print. The same password has to be keyed at the control panel to release the print. This prevents confidential documents from lying around the office or being accessed by unauthorised users.

## Function Lock

5021i 4221i 5001i 4201i

This setting requires each user to have a password and allows the administrator to enable or disable functions for different users, preventing unauthorised users from gaining access. You can also set the maximum volume of printing each user is allowed to do via the device, helping you stay in control of paper waste.

# ENVIRONMENT

## Energy-saving Design

5021i 4221i 5001i 4201i

This environmentally conscious product complies to international environmental standards, including ENERGY STAR (US) for energy efficiency, the Green Purchasing Law and Eco Mark (Japan) for promoting sustainable procurement, and the RoHS Directive (EU) for restricting the use of hazardous substances.

## Easily Balance Your Consumption

5021i 4221i 5001i 4201i

With a wealth of economy measures, you can balance quality and ecological performance as you need. Toner Economy Mode reduces the amount of toner used without sacrificing legibility, helping to save on toner usage. Deep Sleep Mode consumes less power than conventional Sleep Mode, and the printer will still reactivate as soon as new print data is received. The LCD panels on the 5021i, 4221i and 5001i models are also auto-dimming, saving energy when the machine is not in use.
